

5th International Conference on

Management and Control of Production and Logistics

University of Coimbra
Portugal, September 8-10, 2010.

The conference aims to bring together researchers and engineers from different areas, to promote a synergy among different disciplines in order to explore new solutions for complex scientific and technical challenges.

The objectives of the conference are to provide high quality research and professional interactions for the advancement of science, technology, and fellowship. It also provides the participants an opportunity to present their research papers and experience reports, and to take part in open discussions.

Topics

Relevant topics include (but are not limited to)

- Factory Automation, Robotics and Man
- Process, Manufacturing and Logistics: Modeling and Control
- Decision-Support Systems: Concepts, Methods and Algorithms
- Industrial Engineering, Process Control and Applications
- Management of Organizations
- Information Technology in Control, Production, Logistics and Management

MCPL

MCPL'10 is the 5th in a very successful series of events, previously held in Campinas (Brazil), Grenoble (France), Santiago (Chile) and Sibiu (Romania). This fifth edition will be organized by the University of Coimbra, Portugal. The University of Coimbra (<http://www.uc.pt/en>) is one of the oldest in Europe and is known by its characteristic academic ambiance and life. Coimbra is a city in the Center of Portugal (<http://en.wikipedia.org/wiki/Coimbra>).

Important Dates

- Paper submissions: **February 28** 2010
- Notification of acceptance: **May 30** 2010
- Camera ready copies: **June 30** 2010
- Conference: **September 8-10** 2010

Committees

General Chair: António Dourado, University of Coimbra, Portugal
IPC Chair: Florin Filip, Academy of Science of Romania, Romania
IPC Vice-Chair: Luís Camarinha-Matos, New University of Lisbon, Portugal
IPC Vice-Chair for Industry: José Athaide, Portucel-Soporcel SA, Portugal

Secretariat
